# Chukwuemeka Okafor

Front End Developer at SystemSpecs  
Lagos, Nigeria

## Summary

Specializing in Angular, I've amassed over a year of experience in software development. I'm passionate about translating project visions and objectives into reality, offering tangible results in line with client expectations.

Discovering over time that I have a passion for the execution of creative ideas has greatly influenced my taste for design and has gone a long way in improving my overall results when it comes to software execution.
